CREATE HOPE
in the WORLD

Sandi Fulcher attended our meeting and gave us a very engaging update on the EndTrachoma project. Trachoma is an infectious eye disease that can be prevented with good hygiene practices. But it is still present in remote Indigenous communities and can lead to permanent blindness.

The work of the Australian Government, the Fred Hollows Foundation and Indigenous Eye Health to treat trachoma infections has seen rates in affected communities reduce substantially. However the EndTrachoma program is now making significant progress to ensure that hygiene practices and the community environments are improved to completely eliminate the disease.

Below is an outline of the many projects in progress across Australia. A reminder that used stamps can help raise funds for the EndTrachoma project. Please collect them and bring them to a meeting or contact Camille Rogers as detailed below.

ANZAC DAY - 25th April 2024

This year a some of us will attend the Dawn Service at the Quarry Reserve in Ferntree Gully. This service is co-ordinated jointly by the Rotary Club of Ferntree Gully and the Ferntree Gully CFA. The service is 5.45am for a 6am start. Parking is available at the Village Shopping Centre and Upper Ferntree Gully Railway station both within easy walking distance to the event.

I invite our members to join us for breakfast at Montania Café after the service to enjoy some fellowship (booking is in the name of Carol).
