## President Kevin's Message

In the words of a great past District Governor, I am thrilled and delighted to be the President of the Rotary Club of Rowville-Lysterfield for the year 2022-23.

Firstly I want to congratulate President Murray Wilson for an outstanding year even with his District involvement, busy work life and all its challenges. He ran a very successful year, assisted by a motivated Board and many inclusive members on all of the committees. Congratulations to Murray and his team. It will be a challenge for me, following both Marg Vesey and Murray Wilson but I will give it my best shot. Hopefully with continued support from all of our members, we will achieve another good year.

We need to remember that our lifespan has changed so much and there's almost a whole extra life for many people. The challenge is to find new habits, stay engaged and nurture things in your life beyond yourself; grandkids, neighbours or others in the community. It isn't always easy but the rewards are great and it can open up a whole new world for you. There lies the concept of Rotary.

### My 5 main aims for our club in the next 12 months are:

1. To create greater inclusivity in the club, the most important thing for any club, for everyone to feel part of the team.
2. Connect, interest and stimulate the members to be involved with ALL activities.

3. Continue with all of the established projects and increase the involvement and contribution to the local projects we have already.

4. Increase the weekly attendance of our meetings by our members.

5. Continue the support for Zone 8

I am passionate about our club growing, not only by bringing in new members, but also by increasing our current members' involvement in more of our projects and ongoing activities. Let's help them to want to step up and participate and experience that feeling we all get from supporting and helping others less fortunate than ourselves. After all, that is why we are here. Our club is currently number two in the district for membership. Not that it is a race, but it would be nice to encourage others to join our fantastic club and gain that elusive number one spot!

You all would have read the newsletter referring to our current logo and what it references.

The logo represents key elements of Rotary while honouring indigenous culture:

- The circle signifies connections to one another.
- The dots around the circle represent people, one for each of our areas of focus.
- The circle and the dots together become a navigation star, which signifies Rotary's guiding light.
- The solid line underneath signifies a digging stick used for hard work — a tool that Rotary's people of action use to get things done.

This current Rotary logo and what it represents, is what our Club will continue to strive for and as your President this year, I would like us to keep these significant points as our guide to help us navigate what the year brings.

I am looking forward to working with each and everyone of you to continue the great work this club does and ensure we have a bit of fun along the way.

Changeover Night provided an opportunity to once again show support for the work of Foothills Community Care, with the presentation of \$1500 from the Rowville Branch of Barry Plant Real Estate.

The cheque was presented by Satellite Club member and principal at Barry Plant, Anthony Johnson. When accepting it, Stephen Barrington, the CEO of Foothills Community Care, paid tribute to the ongoing support from our Club in its many forms. This includes providing 'sweet treats' each fortnight for the home delivered meals at Upwey and soup each month for the Community meals at Ferntree Gully Guide Hall.

Once he recovered from the unexpected surprise of this presentation, Stephen also made mention in conversation of other support provided, such as the large number of Reverse Advent Calendar hampers donated, contributions for the Winter Sock and Undies appeal, helping deliver Mother's Day and Father's Day food and gift packages and providing our gazebo and assistance with sales at the Mothers' Market days.

Without doubt the most significant contribution has been gaining a grant from Alan Tudge's office and steering through the wonderful renovation of the kitchen at the FTG Guide Hall, which has been to the benefit of many community groups.

The extensive Changeover booklet gave an impressive snapshot of the year of activity for the Rotary Club of Rowville Lysterfield.

In his President's Report, Murray highlighted the contribution of some members in particular but also paid credit to the enthusiasm of all the members in the following comments:

' Our Club has developed a reputation for being the small club that roared. Because of this we have become attractive to potential new members and thus our growth into one of the District's biggest clubs. This is due to the enthusiasm of you, the amazing members of the Rotary Club of Rowville Lysterfield, and for this I thank you.'

Incoming President Kevin acknowledged the outstanding leadership offered by Murray throughout the year and it is appropriate to add public thanks to him in this forum.

There is no doubt that Murray has been an excellent President, keeping a steady hand on the tiller and carrying out his leadership role with a calm, flexible and considered approach. Despite a heavy workload in his business life, Murray was present at many of the activities outside meeting times, such as building the fence for goats in the weed eradication program. His aplomb at the microphone was clearly illustrated at Changeover with his thoughtful and meaningful presentations. Perhaps the highlight of the night though was his rendition of 'We did it Our Way', accompanied on the piano accordion by Ayanthi!

Hearty thanks and congratulations from us all to PP Murray Wilson!

## New member induction

DG Ken Miller had the pleasure at Changeover Night of inducting our newest member, Kate Kidd, into the fellowship of Rotary.

We know that Kate will make a valuable contribution as she was a very informative Guest Speaker last week, and she has already agreed to be part of the Community Service team, starting last month with a contribution of soup to Foothills.

There was also a badge presentation to another new member Pete Batterham who has transferred to us from RC Berwick due to moving house. His partner, Sue, received her badge and she has also been a great supporter of Rotary over the years. Welcome to Kate, Pete and Sue!

An important part of Changeover Night is acknowledging significant contributions to the work of Rotary. This year these awards were as follows.

**IMAGINE  
ROTARY**

An **Honorary Membership** to **James Wilson**, who has been a member for 20 years (10 years at RC Croydon and 10 with RC Rowville Lysterfield). He has played a significant role in PR and the Art Show Committee, a commitment he will continue into the future. He has written a monthly report for the Rowville Lysterfield Community news for over 9 years, amongst many other tasks

A District '**Avenues of Service**' award to **Kevin Harrison**, for his work over many years as Membership Chair and for the multitude of ways in which he unfailingly gives his time and resources to further the work of Rotary.

Five Paul Harris Fellow awards were made to members who have made a significant contribution to the work of Rotary and the Rowville Lysterfield Club in a variety of ways. The presentations were made by PDG Daryl. The awardees were:

- **Marg Vesey** (who was unfortunately absent due to COVID)
- **Jenny Moran**
- **Heather Morris**
- **Alan Lunghusen**
- **Daryl Moran**

Two proud awardees—Daryl and Jenny Moran
