**This week's speaker—Peter Dalwood**  
**'Exploring Rotary Resources'**

There are many resources available for Rotarians and Peter Dalwood, District Tech Comm team member, illustrated a number of these to the assembled Club members.

**District 9810 Website**

The District Website contains a lot of information pertinent to the District, such as District Committee members, seminars, calendar of events and so on. There is information relating to the Avenues of Service, which is particularly useful for Chairs of these groups. Further tabs provide information such as 'Find a Club' and links for Members to a range of resources such as the District You-tube channel. Peter highlighted that in the D9810 IT Help tab there is an online Tutorial covering this information.

The Members only tab, once you are logged in, has further information. Particularly useful in this section is the tab 'Member list', which provides an alphabetical list, with contact details, of every Rotarian in the District. There is another tab, 'Find a Member', to enable searching for a particular member, which only requires inserting the surname for a search.

## Exploring Rotary Resources

Once logged in to the District website, there is a Member area tab, beside your name, where personal details can be changed in your profile.

One recent innovation on the District website is the Connections Business Directory, which connects Rotarians with businesses of other Rotarians. Contact the Webmaster, Trish Carr, if you would be interested in having your

business listed in this directory.

Anyone who has trouble logging into the Member area can seek help from the Club Secretary Heather, or from Peter himself at [pedalwood@gmail.com](mailto:pedalwood@gmail.com)

### [RI Website](#) and MyRotary

The Rotary International Website is a further resource that has an enormous amount of information and useful material. Two in particular of interest are:

- The **Brand Center** which has templates to make logos which ensures correct formatting of these logos.
- The **Learning Center** has many modules of self-paced learning which are very well presented and very useful to further build your knowledge about Rotary. Two of these are shown here.

The other useful resource for members is the ClubRunner app, which can be downloaded free from the app store.

The password for Club Runner is the same password as the one used to access MyRotary, but can be supplied by Heather if needed.

This App provides contact information for every Club and Rotarian in the District. Hit the menu button at the top left for Club information and further down is a listing of all Clubs in the District.

**IMAGINE  
ROTARY**

In the past, when Rotary International mandated a minimum attendance requirement for people to retain their Rotary membership, a common practice while travelling was to do a 'Makeup', that is, attending a Rotary meeting of a Club other than your own.

While this is no longer necessary now that RI rules have become more flexible, visiting another Club can be very instructive, in terms of learning about projects undertaken and experiencing the style of meeting. When travelling overseas, it is also a wonderful way to meet locals who share the same passion for service.

On their recent travels, Daryl and Jenny attended a meeting of the Rotary Club of Encounter Bay, in Victor Harbour, motivated partly by knowing that a Club member there had been in the same club as Daryl 20 years ago.

The warmth of the greeting was notable and the speaker, a representative of the local Bendigo Bank branch, was very interesting—perhaps an idea for a speaker for one of our meetings. In an echo of our routine, the speaker would normally be presented with a pen, but as these had been donated by the Bendigo Bank, this time the thank you gift was chocolate! A nice touch was that the applause for the speaker was delivered by everyone rising to their feet.

In all other respects the Rotary Club of Encounter Bay felt very similar to Rowville Lysterfield RC. They have dispensed with the loyal toast, toast to Rotary, singing the National Anthem and saying Grace, just as we have. Conversation with those seated nearby gave an insight into their major overseas project, supporting a school in Kenya, and their Community markets, which raise around \$60,000 per year. Given the massive summer population that descends on this region, the success of their markets is no surprise.

There is an open invitation for anyone who does a 'Makeup' to provide a few details for inclusion in the newsletter.

One point to reflect on in terms of attendance: while there is no requirement from RI for minimum attendance, it is interesting that in some Clubs one of the awards at Changeover Night is a certificate for 100% attendance over the year.

The Primary School Speech Competition, held on Monday 8th, was a great success. Contestants came from four local schools: Lysterfield, Karoo, Park Ridge and St Simons.

The winner was **Jake Walker** from Karoo Primary School. Jake was a very engaging and lively speaker on his topic 'Why we should change from plastic to paper'.

Speaking with confidence in a public forum is an important life skill and no doubt a skill that improves with practice, so such an event provides valuable experience for young people. Congratulations to Jake and to all those who had the courage to participate. Thanks also to Youth Chair Max Williams for organising this night, the judges Jeff Somers, Heather Morris, James Wilson and Rajeev Wadhwa and to the other Club members who helped: Kevin Harrison, Carol Constantine and Kate Kidd.

## The Issue of Regionalisation in Zone 8

Early in September, all Rotary Clubs in Zone 8 (Australia, New Zealand and 14 Pacific Island countries) will be required to register a vote regarding the issue of exploring structural changes to the way Rotary is managed in this region.

To ensure Club members are well informed regarding the pros and cons, PDG Daryl Moran will present a succinct summary of the proposal next week, via zoom.

*It is an important issue for the future of Rotary, so all members are encouraged to be present or to zoom into this meeting.*

## Coming speakers

On **September 6th** the Guest Speaker will be **Fr Bob Maguire.**

Fr Bob will be speaking about his current work in the community, for which he is very notable, having received an OAM in 1989 for service to homeless youth and in recent years continuing this service as the Chairman of the Father Bob Maguire Foundation .

On **September 13th** the Guest Speaker will be former MP **Heidi Victoria.**  
**'The Show Must Go On'**

During the worst of the pandemic lockdowns, professionals within the Performing Arts industry were left without work or support.

Heidi photographed over 70 of these people and they wrote text which accompanied the photos in an exhibition and coffee table book. Many found silver linings in their situation.

- Birthday wishes this week to Patty, who has her special day on August 13th. It was good to see her recently at Changeover Night, looking well recovered after her recent health issues. Happy birthday, Patty.
- Steve and Sue have taken the opportunity to travel, overseas spending a few days in Dubai with daughter Hannah and her family and then flying to France. We wish them a special time seeing this part of the family again and safe travels for the remainder of their trip.
- Using editorial privileges, I am sharing a photo taken on our travels last week at Port Elliot in SA. It was wet and windy but still very scenic.
